## **MOTION TO ADJOURN**

NEXT MEETING: October 14, 2025 - 6:30 PM

## Greenwood Township Supervisors Board Meeting Minutes

DATE: August 12, 2025 - 6:30 PM

## CALL TO ORDER - Chair Roskoski

## PLEDGE OF ALLEGIANCE

Meeting is being recorded for transcription and archival purposes.

<u>ROLL CALL</u> - Chair Roskoski / Supervisor Gilbert/ Supervisor Bassing / Treasurer Mortaloni / Clerk Spicer **Present** Vice Chair Skubic & Supervisor Bradach **Absent**.

## PUBLIC COMMENTS (Limited to 3 minutes)

Steve Zaudtke – Complimented the Recreation Committee on the success of the pickleball courts and said many from other areas are coming to play here, also complimented on the integrity of the Board and the community is displaying excitement at the direction the community leadership has taken. He thanked the Board for their support, and the business community showing support - with pledges still coming in.

Sue Ellis – stated everything is looking so beautiful. However, the tennis courts need to be serviced every 8-10 years and none has been done. She brought pictures showing the current wear & tear.

John Urick — will speak later as his topic is on agenda under Clerk Correspondence.

## **ADDITIONS/CHANGES TO AGENDA**

Motion by Bassing/Gilbert to accept Agenda. Vote 3/0 Carried

Motion by Bassing/Gilbert to approve minutes from regular meeting held July 8, 2025. Vote 3/0 Carried

## **FINANCIAL REPORTS**

Account balance summaries – as of July 31, 2025: Checking - \$121,429.56 Road Fund – Savings \$27,495.31 Jumbo CD - \$100,905.09 Building/Capital Fund - Savings + CD \$99,802.46 Trail Fund - Savings + CD \$22,599.16

Broadband Fund - \$102,277.99

Chair Roskoski points out both Treasurer and Clerk Schedule 1's are included in packet and again balances match. Also included are the Receipt Register, Disbursement from July and the Bank Reconciliation.

Motion by Bassing/Gilbert to approve Treasurer's Report. Vote 3/0 Carried

A final claims list with some additions and a correction to the Lake Country Power payment was adjusted, reducing total claims to \$30,032.25

Motion by Bassing/Gilbert to approve Claims. Vote 3/0 Carried

Higher than usual payout for Fire Department as the new Admin is working to get things set up and is filling in as EMS Captain since that position is vacant.

Motion by Bassing/Gilbert to approve Payroll. Vote 3/0 Carried

Treasurer Mortaloni announced appointing Karen Saaral as Deputy Treasurer.

## **OLD BUSINESS**

 Discussion on hiring a maintenance employee, including review of costs on lawnmowing, snowplowing and cleaning services.

Motion by Bassing/Gilbert to table until September meeting. Vote 3/0 Carried

2. DNR response to letter sent concerning Moccasin Point landing renovation. They had heard that complaint at the open house but had spoken to Fire Chief (Maus?) and it was deemed not to be a problem but will pass along concern to the project manager.

## **NEW BUSINESS**

- 1. Paul Thompson, Lake Vermilion Pickleball Association:
  Currently, projects using \$39,000 matching grants from RRRB with some improvements and add-ons needed to complete the project, include new woodchips added in playground area, concrete walkways, windscreens around pickleball courts with more for tennis courts eventually. Some brushing was done today, Will be doing some landscaping and putting rock between Pickleball and parking lot, still have wiring the shed, and resurfacing the tennis court. Have 3 related topics to complete the project:
  - a. Extend the wi-fi to the Pavillion area. There is no cell phone coverage needed for safety and all-season security cameras will be paid by Rec committee.

**Motion** by Bassing/Gilbert to authorize Rec committee to work with TechBytes to add Wi-Fi to Pavillion area. **Vote 3/0 Carried** 

b. Ask the Township to contribute \$15,000 toward resurfacing the tennis court. Opportunity to coordinate with Cook Pickleball project to get discounted rate to do next week. Can't apply for grants next year unless we complete and use the grant we got this year. Roskoski believes we need to stand by our commitment, verifying with the Treasurer that we do have the funds, Bassing asked if they had looked into other resurfacing companies and Paul stated yes but it would be more costly to change base and painting and repainting is still needed.

- Motion by Gilbert/Roskoski to pay \$15,000 to Outdoor Sports for resurfacing the tennis courts, with Rec committee paying balance. Vote 3/0 Carried
  - c. Ask the Township to vote to work with the Recreation Group in stablishing a stand-alone budget line for continued maintenance of the recreation area. They have \$7500 now to contribute to the Recreation stand-alone budget line and ask that the Township annually match that amount starting with 2026 Budget. Bassing asks to bring it to the annual meeting.

**Motion** by Gilbert/Bassing to commit &7,500 toward Community Recreation for 2026 and revisit annually for any needed adjustments. **Vote 3/0 Carried** 

- 2. Pavilion reservations. An issue with it being reserved but it was being used.
  - a. Reservation signage will be posted by Clerk.
  - b. Lost and found Gilbert will purchase Rubbermaid Container for lost & found.
- 3. Procedure to review timesheets for hourly employees. Tire Chief signs off on FD employees. Other hourly employees will be checked and signed off by both Treasurer and Clerk.
- 4. Insurance renewal Corporate Four

Motion by Bassing/Gilbert to renew Public Officials Management & Employment Practices Liability Corporate Four Insurance Policy for \$13,224.15. Vote 3/0 Carried

5. Clerk computer – will get information clarification, computer is old -Clerk got a prompt that Windows 10 will no longer be supported. Gilbert questioned if Tammy's computer is also losing Windows 10 support.

Motion by Bassing/Gilbert to table until September meeting. Vote 3/0 Carried

- 6. Update on grant applications. Treasurer has met with Rec Committee to ensure no overlap in grant applications, Bassing is doing BroadBand grants and she is working on 3 RRRB grants for Capital Improvements roof has been done, windows are being looked at, etc. Walking Trail grants repairs/benches. Nothing will be submitted without Board approval.
- 7. Update from the Kitchen Committee. A summary binder for all Supervisors was provided, review for the next meeting. They will do a presentation in September.
- 8. Fire Department:
  - a. Posting of Fire Department positions:
    - i. Assistant Fire Chief.
    - ii. Fire Captain.
    - iii. EMS Captain.

Tammy Dowden and Brianna have been doing the EMS Captain duties.

**Motion** by Gilbert/Bassing to appoint Tammy Dowden as Temporary EMS Captain as of August  $1^{\text{st, 2025}}$ . **Vote 3/0 Carried** 

a. Management of the website. Fire Admin would like to work with TechBytes so she can learn how to maintain the Fire Department portion of the website.

**Motion** by Gilbert/Bassing to authorize Fire Admin to work with TechBytes for updating the Fire Department portion of the website. **Vote 3/0 Carried** 

b. Airway Management Equipment – Received quote from BoundTree for EMS supplies \$1,131.46 + shipping.

**Motion** by Bassing/Gilbert to accept BoundTree quote to purchase Airway supplies for a total of \$1,131.46 + shipping. **Vote 3/0 Carried** 

Bassing has unrelated questions for Fire Department. Roskoski asked if he had spoken or emailed the Fire Dept with his questions. With Bassing stating he had not contacted them, she suggested next time he does so we know if it needs to be added to the agenda. We will wait until the Fire Department Report.

## **SUPERVISOR REPORTS**

Skubic Road Supervisor —absent - since Supervisor Skubic is not here, Roskoski

mentions she still getting complaints on brushing for Birch Point Road. Calgaro has come back several times at no extra charge. Will budget for 2026 and be sure

to be specific in brushing expectations for next year.

**Lodging Tax Board Representative** – no new info

**Bassing** Broadband Liaison – There will be a Broadband meeting on September 16 with

RAMS & local Townships and cities, trying to acquire funding.

Joint Powers and Recreation – no new info

Noxious Weeds Representative - has not seen any.

911 Assignment - no info

**Gilbert** Grounds and Maintenance – no new info

Fire Department Liaison - see fire report

Bassing asked how many calls the Fire Department did not respond to, stating he called 911, St. Louis County, and as of last week this year's response was 69% compared to 2024 when the response was 92%, and said that was disconcerting. He also said he called the Fire Marshall and no NFIRS reports have been sent this year, and they were due in February. Not filing NFIR reports could affect whether we qualify for future grants. Roskoski stated if the annual report was due in February, that seems to indicate the missing report is for the year 2024 when Maus was chief, and the report for 2025 would be due February 2026. Bassing continued trying to put blame on Chief Trancheff and said he would send Roskoski the email on it. Then Bassing said the chief had no right to suspend an employee. Roskoski reminded him employee issues were not to be discussed in an Open meeting and if he wants to set up a Special meeting to discuss it further, he could. Bassing did not want to have a Special meeting but continued arguing the matter. The other Supervisors ignored his ranting and did not engage.

Bradach

Recreation Committee Liaison - absent

Roskoski

**Ambulance Commission** – no meeting set up yet. Dena Suihkonen has not been back to work yet but it is believed she will be soon.

RAMS Representative – 2<sup>nd</sup> Annual State of the Range meeting September 17.

Free for Board members - registration by September 5.

## FIRE DEPARTMENT REPORT

Report provided via Supervisor Gilbert

Fire Calls- 1 structure, 2 Powerline down, 2 lake access, 4 Ems assist, 4 Auto alarm EMS Calls – 27 total

EMS will be training on new airway management system. Seeking quotes for annual hose and ladder testing. Lift for #2 Boat is repaired and back in service. #1 Boat is has a starting issue currently being checked-Breitung and Lake Vermillion Fire Departments have been notified in the event a pumping boat is required.

Brianna Lofquist is now certified FF I & II.

## **CLERK REPORT** (Correspondence)

- 1. Request for Ordinance on resident fence installation.

  John Urick spoke of the large, tall fence his neighbor built, that obstructs his and another neighbor's lake view. He feels it is poorly constructed, ugly and the builders trespassed, cut down trees on his property, and harassed him while they built it. He asked the Township to adopt a fencing ordinance so others will not have to go through what he has been through. St. Louis County does not have any ordinance. We would need to contact our attorney, and we would have to hire someone to enforce ordinance, or it would be of no use.
- 2. Question of allowing above ground holding tanks. This would fall under St. Louis County Planning & Zoning.
- 3. Variance request application for Sundling Road location. Information available.
- 4. Aggregate Crushing Program Memorandum We've never participated in the past. If we decide to in the future, we will need a Resolution.

Motion to adjourn by Bassing/Gilbert at 7:55 PM. Vote 3/0 Carried

Chair	Clerk

## **CULTURE & TOURISM GRANT**

Can apply 3 consecutive years maximum (applied past 2 years)

Funds available: \$850k – can apply for \$2,500-\$30,000 (1:1 match)

Used for: arts, culture, recreation capital improvements, tourism and recreation – promotion to new audiences; funding for trail equipment

## **BROADBAND GRANT**

Supervisor Bassing stated he will take care of this one

\*\*State will have funding from Federal again on Jan 1, 2026

## **REGIONAL TRAILS GRANT**

Applications open starting July 1, 2025 through May 29, 2026; do pre-app, then once accepted full appl

Funds available: \$1 million (1:1 match) – was \$500k in 2025

Used for: design and construction of trails, fencing, signage, trailheads, parking lots

## WORKFORCE DEVELOPMENT GRANTS

Govt entities eligible

Funds available: \$700k, 1:1 match; up to half of the match can be fin'l support from business/industry partner

- requests under \$10k require one quote/bid
- between \$10k-24,999 competitive awards based on two verbal quotes or bids to targeted vendor
- \$25k to 99,999 three verbal
- \$100k or more, formal notice and bidding process

Used for: education, training and career awareness initiatives that address regional workforce needs (**Fire Dept**, Clerk, Treasurer, Board

## **PUBLIC WORKS GRANT**

Applications open starting July 1, 2025 through May 26, 2026; do pre-app, then once accepted full appl \*\*can do phased projects over several years

Funds available: \$9 million (1:1 match - max \$1.5 million request - was \$6mm in 2025

Used for: anything owned by Township – streets, building improvements, rec facilities

## **REGIONAL TRAILS GRANT**

- Repair and reblacktop trail (9/10 of a mile long)
  - Est \$75k, based on est rec'd last year
- · Repair trail, including any addt'l signage needed
  - Est \$\_\_\_\_\_

## **WORKFORCE DEVELOPMENT GRANT**

- Fire Department training
- EMR recertifications
- New office equipment?

## **PUBLIC WORKS GRANT**

- Water tank in fire hall garage
  - Supplies water to entire township
  - need poly one
  - Est \$15k
- Windows in all township buildings
  - Main hall first, one in fire hall, then the rest of the buildings (office, etc)
  - Est \$35k
- Kitchen remodel
  - Estimate to be based on scope/approval
    - Covers demo/wiring/plumbing/ventilation
    - Don't pay for appliances
- Paint building
  - Can do 3-5 years down the road
- Fire Dept needs (NOT ELIGIBLE UNDER THIS GRANT)
  - Replace 2 motors on board 1 w/two new 300s

- Est \$\_\_\_\_\_
- New snowmobile
  - Est \$\_\_\_\_\_
- Replace Engine 5
  - Est \$160-170k
- Birch Pt Ext (NOT ELIGIBLE UNDER THIS GRANT)

Re: Computer Upgrade vs New

Hey Debby,

Here are updated prices:

## Option 1 - \$1178+tax

- Intel 12th gen i7
- 1TB SSD Drive
- 16GB RAM
- Windows 11 Pro

## **Option 2 - \$999+tax**

- Intel 12th gen i5
- 1TB SSD Drive
- 16GB RAM
- Windows 11 Pro

## **Option 3 - \$839+tax**

- Intel 12th gen i3
- 500GB SSD Drive
- 16GB RAM
- Windows 11 Pro

The other prices should still be good.

Thanks!

Dustin

On Mon, Aug 4, 2025 at 2:39 PM Dustin Miller < <a href="mailto:dustin@techbytesmn.com">dustin@techbytesmn.com</a> wrote: Hey Debby,

Sorry I didn't get to this to you sooner.

Your computer is several years old, if it were me, I would personally suggest a newer computer. It would be newer parts, faster and should be more reliable, but does have more costs.

Your current computer could be sped up some by installing a Solid State Drive. A 1TB SSD drive is about \$145+tax & if we do this at our office, we usually charge about \$50 to clone your original drive to the new

## GREENWOOD TOWNSHIP RECREATIONAL TRAIL EASEMENT

### Recita1s

WHEREAS, Greenwood is developing a recreational trail (the Trail) along County Highway 929 running from Arrowhead Point to Moccasin Point on Lake Vermilion within Greenwood Township;

WHEREAS, Grantors are the owners of certain property located within Greenwood Township situated in the County of St. Louis, Minnesota,

WHEREAS, Greenwood Township wishes to acquire from Grantors a Recreational Trail Easement (herein called easement) across the lands owned by Grantors and,

WHEREAS, Grantors are willing to grant and convey to Greenwood a Recreational Trail Easement on the terms and conditions set forth herein.

NOW, THEREFORE, the parties enter into this agreement as follows:

1. Description. Grantors hereby grant and convey to Greenwood, its successors and assigns, an easement for the purpose of laying, constructing, operating, inspecting, maintaining, repairing, and replacing a recreational trail, hereinafter more particularly

designated and described on, in and over lands owned by the Grantors (hereinafter "subject property") situated in the County of St. Louis, which is legally described on Exhibit "A" attached hereto.

The easement (hereinafter referred to as a Permanent), is also described in detail on Exhibit "A" attached hereto. This easement is subject to all the rights and conditions of any other parties or entities may have in the easement area granted which Grantors are or may be subject to.

- 2. Term of Easement. The rights granted herein shall be possessed and enjoyed by Greenwood, its successors and assigns, as long as the recreational trail shall be maintained and operated by Greenwood, its successors or assigns. In the event, Greenwood, its successors or assigns, no longer maintain or operate the recreational trail, this easement shall be null and void and terminated.
- Ingress, Egress, and Maintenance. Greenwood, its employees, contractors, or representatives, shall have the permanent right of ingress and egress to and from the permanent easement for the purpose of laying, constructing, operating, inspecting, maintaining, repairing, and replacing a recreational trail or any appurtenances thereto located therein. Such ingress and egress shall be limited to such easement and to existing public roads or other granted easements, if any, on the premises. All activities of Greenwood in the premises shall be limited to the permanent easement including but not limited to any easement or restrictions heretofore placed upon the easement area. Greenwood shall have the right to keep the easement area clear of all buildings, roots, shrubbery, structures, trees, undergrowth, and all other obstructions that may interfere with or endanger Greenwood's accessories, attactments, equipment, fixtures, structures and supports using such methods as Greenwood in its sole discretion deems necessary, provided however, such methods do not substantively interfere with the rights of Grantors to reasonably use the remining portion of Grantors' property not included in the easement area.
- 4. Improvements by Grantors. Subject to the written consent of Greenwood, which shall not be unreasonably withheld, Grantors shall have the right to place along, across, and over the Permanent Easement as many roads, streets, driveways, sidewalks, passageways, electric lights and power lines, water lines, gas lines, telephone poles and telephone lines, and other utilities as Grantors may desire, provided that said installations shall not reasonably interferewith the recreational trail and shall not hinder nor endanger travel along said trail. If any utility line is placed parallel to such permanent easement, such line shall not be placed directly under the travel portion of the recreational trail itself.

- 5. Rights and Restrictions of Grantors. Grantors shall have the right to full use and enjoyment of the premises except such use may not unreasonably interfere with the exercise by Greenwood of the rights granted herein. Grantors shall not construct or permit to be constructed any house, or obstruction on or over or interfering with the construction, maintenance, repair or other operation of the recreational trail pursuant to this instrument on the easement area, except Grantors may place any driveway so as to be able to use adjacent property of Grantors inorder to provide egress and ingress to structures or buildings on Grantors adjacent property not covered by this easement. Grantors agree that they will not change the ground elevation above such recreational trail without the prior written consent of Greenwood, which shall not be unreasonably withheld.
- Restoration of Premises. After the installation of the recreational trail or any subsequent maintenance thereof, Greenwood, its employees, representatives, or contractors, shall remove all equipment and other property placed on the premises by or for Greenwood, fill and level all ditches, ruts, and depressions caused by construction or removal operations, and remove all debris resulting therefrom. Greenwood will generally restore the surface of the premises as near to its original condition as may be possible with the exception of any obstructions to the use which are created by the trail and its appurtenances, all within a reasonable time after the installation of such recreational trail or the abandonment or expiration of this easement. Greenwood agrees to restore or replace any improvements, roads, driveways, sidewalks, passageways, and private utilities of Grantors within a reasonable time after the installation of such recreational trail or the maintenance thereof, or the abandonment or expiration of this easement.
- 7. Assignment. Greenwood agrees not to assign this Recreational Trail Easement without first obtaining the written consent of Grantors. It is understood and agreed that the Trail to be constructed on the premises shall be open to the general public use.
- 8. Liens. Greenwood agrees that it will not cause the premises to be subject to any mechanics', laborers', materialmens' liens or claims of any manner arising from or growing out of any work operations conducted upon or in connection with the premises, or any part thereof, including but not limited to the construction of the trail, or the maintenance or operation thereof, or removal operations.
- 9. Liability, Immunity, Release, and Use. Grantors grant this Recreational Trail Easement and Greenwood accepts this Recreational

Trail Easement for the purpose of allowing public use of the easement premises without charge for recreational purposes within the meaning of Minn. Stat. Sect. 604A.20 through Minn. Stat. Sect. 604A. 27 with the intention that Grantors and Greenwood shall thereby be fully immune from liability in accordance with said statutes. event Grantors are not fully immune and protected from actions or liability of any nature, Greenwood agrees to indemnify, hold and save harmless Grantors from and against any claims, demands, causes of actions or judgments of whatsoever kind and nature, subrogation right or lien right, damages, costs or expense instituted or brought by any person, entity, firm, corporation or governmental entity making a claim of any nature regarding the use or in any manner from the injury, loss, property damage, medical or hospital expense incurred or suffered from the use, ingress, egress, maintenance, operating, repairing, replacing or constructing within the easement area or by the use or rights of any other parties or persons who may claim any rights in connection to any part of the easement area.

- 10. Entire Agreement. This Recreational Trail Easement consisting of 7 pages shall constitute the entire agreement of the parties as to the subject matter hereof, and it supersedes any prior or contemporaneous oral or written understandings or agreements. This Recreational Trail Easement may not be amended or modified except by writing executed by the parties hereto.
- 11. Covenant of Ownership. Grantors covenant that they are the owners of the premises described on their respective Attachment and have the right, title, and capacity to grant the permanent easements granted herein.
- 12. Effect on Subsequent Parties. This Recreational Trail Easement and each and all of the provisions hereof shall extend to, be binging upon, and inure to the benefit of the respective successors and assigns of the parties hereto, subject, however, to the prohibition on Greenwood assigning this Recreational Trail Easement except with Grantors express permission. Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine or neuter gender, according to the context. The acceptance of this Recreational Trail Easement by Greenwood Township shall constitute an acceptance of all the terms and conditions of this easement agreement by Greenwood and shall be binding upon Greenwood Township, its successors and assigns.

PROJECT: Greenwood Trail Little Free Library

## **REQUEST:**

Permission to install a Little Free Library Box/Boxes at the beginning of the existing non-motorized bike and walking trail on Moccasin Point Road, with the following considerations:

.....That the township be willing to pay the one time fee of \$39.95 to officially register our site with The Little Free Library, a non-profit, tax-exempt organization based in Wisconsin. (www.littlefreelibrary.org)

We will then receive an official sign, charter number and a steward packet of support materials and our site will be placed on the online Little Free Library Map.

.....That the board delegate stewardship of the library to a volunteer neighborhood team which will design, build (materials to be donated), install and monitor the library box. Books will be donated by neighbors and visitors who visit the library box.

.....That this team be allowed very minimal access to word-processing/printing facilities at the township hall, if necessary.

.....That based on usage, the box can be enlarged or expanded in the future (I.e., a children's box and an adult box)

.....That a team selected steward or stewards will periodically report to the board (progress, status, concerns that may arise).

WHAT IS a Little Free Library?

From "The Little Free Library Book" by Margret Aldrich, Coffee House Press, 2015:

A Little Free Library is a box of books, posted in an accessible spot where everyone who passes by is welcome to browse and "take a book, return a book."

It promotes a sense of community spirit and positive social networking in a neighborhood.

It encourages literacy, love of books and reading, sharing of ideas......etc.

As of April, 2015, there are 25,000 registered Little Free Libraries scattered throughout all fifty states and 70 countries.

This includes one on private property on the Isle of Pines (charter # 12328) on Lake Vermilion!

## Little Free Libraries offer fun, convenient book access

A Linde Free Library® (LFL) is a box, usually in the shape of a school house, filled with books, and installed in neighborhoods, providing access to a free book exchange. The idea is to "take a book and return a book" without due dates, signed check our procedures and no fines for late returns.

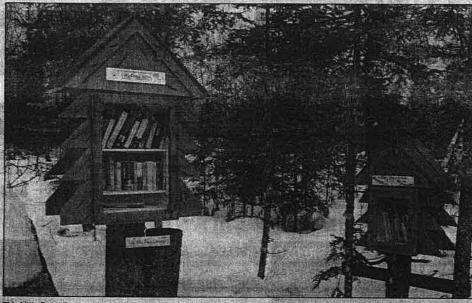

The LFI mussion is to inspire a love of reading by providing free acress to books for people of all ages, to build neighbor-hood connections and to create an open, riendly environment for book lovers and

hook connections and to create an open friendly environment for book lovers and readers.

The LPL inovernent began in 2009, when load Bol, of Hudson, Wisconsin, built a wooden box in the shape of a schoolhouse. His mother had been a tracher and an mid reader, so in her memory, he filled the box with books to share in his neighborhood. People were immediately interested so he built and gave away 30 more little book boxes, and the rest is history.

From this humble beginning, Little Free Libraries began to appear, spreading throughout Wisconsin. By 2012 the number had grown to over 4,000, in that year IFL officially became a non-profit organization. According to information online at littlefreelibrary.org, there are currently more than 60,000 registered Little Free Libraries in over 80 continues. Not all Little Free Libraries are actually registered, but if they do join the organization by paying a small membership fee. they become part of the Libraries are actually registered, but if they do join the organization by paying a small membership fee. they become part of the Libraries are actually pecunion for their worldwide map.

Eath registered [Fr receives a charter number, agas, promotional materials and lost of helpful information. The worldwide map on their website identifies in lever nine chartered Little Free Ethraries in the fron Range area, but there are also several neighbors and friends on Lake Vermilion on Moccasia Point Road decided to crase a LFL. After checking our possible locations we selected the spot at the beginning of

This Little Free Library with two boxes is located on the Greenwood Township walking and biking trail. Submitted photos.

the Greenwood walking and biking trail. Since the trail is maintained by Greenwood Township (GT) we presented our plan to the GT board and requested that the township besome the official sponsor of the LFL. They give their unstainous support, pad the membership fee, and we became lattle Free Library number 29,911.

Our library was designed and built by Kate Wagner. With the woodsy environment is mind, she fashioned a Box in the shape of a tree, which even has adjustable shelves. Most of the materials were scraps and salvage materials that she and her

Kids have their own special tree-themed library box.

husband, Dave, had bying around in their garage workshop. Although they did most of the building, we all helped, especially when it came to the actual installation. Our LFL is unique, in that we have (wo

trees. A larger one holds adult materials, books, magazines and even free book marks created by Nancy Wagner &s a surprise, Kate also built a smaller tree bo bouse specifically for children's books, puzzles, tapes and games.

Since our August 2015 installation and dedication in has been a joy to warch hiders, billers, and visitors stop by to tak a book and to hopefully bring another or back. It is especially heartwarming to see families with small children was in the ree book houses.

Along with the Perkos, the Furleys, the Wagners and other volunteers, we are early able to mountor and maintain the libra area. Gutting grass and minimal showelin when necessary restocking books and dealing with the arms. The lads' books did appear quickly, so we are always looking for more. There are a few winter visitors, but we look furward to the next season of warm weather when book sharing increases again.

warm wearer when book staring increa es again.

If you are in the Moccasin Point Road area, be sure to stop by, and of course, in a book or bring a book - or two! For more information visit littlefreeli-braryorg.

Fire

We will be exploring a box alarm with Cook Fire over the next few months in hopes of having something formal completed by the end of the year. This will be a great advantage to both communities for both manpower and equipment in the future. We would like to thank Cook FD for reaching out and proposing this as an option to strengthen our mutual aid relationship!

Annual pump testing has been performed by EAM on Engine #1, Tender #3, Rescue #5, Boat #1

Tender #3 is having a priming issue on the DS & PS 5" suction but is still able to pump from its tank and act in its tender capacity. We are working to have the problem identified and resolved as soon as possible.

The wildland PPE order is near complete we are still waiting on two items.

**EMS** 

Our medical oxygen bottles were past hydro test dates and have been swapped out for current ones.

The AEDs have been looked over by the acting EMS Captain the pads are expired and batteries will need replacement asap see attached quote. These are a critical piece of equipment and we ask that the board approve the purchase.

The new airway equipment has been ordered.

Without the ampa:
lei tedevicemiemise.

Let's talk about transparency. Since March of 2024, when three new supervisors came on board, a lot of changes have been made to promote transparency:

Agenda packets are published on the GT website the week prior to the board meetings.

Agendas are posted on the GT Facebook page.

Board meeting are "live" streamed on the GT Facebook page.

Telephone access is still available at the meetings

That is Transparency!

Prior to March, 2024, you could hardly get an agenda before a board meeting.

Committees have been formed that include representation from residents. Fire Committee, fire promotions, kitchen committee. The number of people attending meetings has significantly increased and hundreds of people view the meetings on line. Several residents are eager to volunteer to move Greenwood forward. Just look at the number of residents involved in recreation projects and planning community events! It is a positive movement!

Since March of 2024, two people who were knowledgeable in accounting were hiring to correct the Clerk and Treasurer books, going back to 1/1/22. Changes were made and resubmitted to the State auditor. That is transparency!

The majority of the previous board stated the Clerk and Treasurer's books matched in 2022 and 2023, but it was confirmed that it was an outright lie.

Public employees in Minnesota have numerous rights per MN Statutes that private employers do not have to follow. Since March of 2024, the board following the legal process when dealing with personnel issues. Employees were afforded the appropriate hearings and confidentiality. But it does come with a price in legal fees. That is transparency.

The majority of previous boards terminated several employees of the Fire Department without following MN Statutes. Supervisor Bassing continues to try to violate the rights of employees by divulging confidential information at a public meeting and spew misinformation about the Fire Department. There are a few others that previously held township positions that like to cause disruptions and spread misinformation.

Greenwood residents are demanding these changes in transparency and positivity, as proven in the last two township elections, where incumbents have been ousted by an overwhelming margin.

The majority of the current board will continue to move this township forward in a positive manner and following the rules.

Recently, a sign was placed at the GT border, claiming transparency died here in Loisville. Pretty hypocritical to post an anonymous sign in the dark of night regarding the lack of transparency. You have proven who is not being transparent. Let me know if this is your sign and I will get it back to you with one correction. Transparency "thrives" here!

August 14, 2025

Debby Spicer Greenwood Township 3000 County Road 77 Tower, MN 55790-8142

Dear Debby,

I'm reaching out because two big deadlines are coming up that will affect Greenwood Township's website, and we can help make sure you're full prepared.

#### **Key Deadlines**

- June 1, 2026: All Minnesota municipalities must transition to a .gov website domain.
- April 26, 2027: All Minnesota municipalities with a population under 50k must meet WCAG 2.1 Level AA standards.

It might seem overwhelming, but Munibit simplifies the process. We've already helped many Minnesota municipalities with smooth transitions, covering everything from securing your .gov domain to ensuring full website accessibility compliance.

#### How Munibit Can Help

- **Domain Transition:** We'll walk you through the .gov domain process, including .gov email setup at no extra cost!
- WCAG 2.1 Compliance: Our platform is designed to improve ADA Title II compliance.
- Easy Transition: We handle the design, setup, migration, hosting and launch!

Let's get Greenwood Township on track before the deadlines hit. Schedule your demo at munibit.com/schedule-demo or call us at (314) 560-6345.

We're here to make compliance easy and give your community a more secure, modern online presence!

Sincerely,

Ree Schilling

Ree Schilling Account Manager, Munibit ree@munibit.com

#### Summary of MN Website Requirements

- Who: All Minnesota municipalities
- What's Required: A .gov website domain (by June 2026) and WCAG 2.1 Level AA compliance (by April 2027)
- What's Included: Design, setup, migration, hosting, .gov email/domain setup
- Your Pricing: \$99/month with no hidden fees!
- Next Step: Call us (314) 560-6345 or schedule a demo at munibit.com/schedule-demo

Re: forgot the attachment

Part of the email is legit, part is a sales thing.

- 1. Yes, you do have to get a \*.gov domain for your website. All government entities are required to do that. I'm not able to order the \*.gov domain for you, but once you have it, you can give me access to it to make the changes we need to. To start getting a \*.gov domain, it looks like you can go to <a href="https://get.gov/domains/">https://get.gov/domains/</a> to get that domain.
- 2. Yes, you do have to meet ADA Compliance WCAG 2.1 Compliance. We are working on a few other site working on getting them done, so this is something we can also do.
- 3. I can write you a quote on getting the site compliant I might write 2 of them, as it might be time for a new design, but one will be for updating your site to be compliant and the other will be for a new site.

If you have any other questions, please let me know.

Thanks! Dustin

# Northland Law Enforcement K-9 Foundation

One AMSOIL Center Superior, WI 54880

#### NorthlandK9.org

Northland K9 Foundation

A non-profit organization to support the K-9 units of the following agencies:

Douglas County Sheriff's Office

Duluth Police Department

Hermantown Police Department

St. Louis County Sheriff's Office

Superior Police Department

Virginia Police Department

August 18th, 2025

Dear Greenwood Township,

Thank you for helping make our communities safer. Your gift to the Northland Law Enforcement K-9 Foundation will help purchase, train, and equip K-9 officers and their human partners.

K-9s put their lives on the line for their human partners, track felons, search for and rescue lost people, and sniff out drugs, weapons, and critical evidence. They work odd hours –often overnight shifts and weekends – in all types of weather. K-9s are invaluable members of our law enforcement teams and work to keep our communities safe.

Law enforcement K-9's and their partners must continually train to remain at their best, and your commitment to helping with this training is appreciated.

Sincerely,

Deena L. Peterson Secretary/Treasurer

AMSOIL Northland Law Enforcement K-9 Foundation 4995 Misty Bay Dr. Duluth, MN 55803

Receipt: #20250038

Date of Donation: 8/12/2025

Amount \$100

Received: Greenwood Township

Address: 3000 Conty Road 77, Tower, MN 55790
